

VOLUME 2 | SUMMER 2026

JCOINCTC.ORG/JTEC

JTEC MAGAZINE

JCOIN TRAINING & ENGAGEMENT CENTER

**A free educational platform
for health and criminal-legal
professionals.**

NEW COURSES. PRACTICAL SKILLS. FREE TECHNICAL ASSISTANCE.

START LEARNING

LEARNING THAT CONNECTS TO PRACTICE

WELCOME TO VOLUME 2

The JCOIN Training & Engagement Center offers courses, recorded webinars, quick lessons, and the Aced It podcast for people working across health and criminal-legal settings.¹

This Summer 2026 issue highlights newly available learning, familiar course series, and practical ways to keep building your knowledge. Use it to choose your next course, plan a team learning session, or find support for a real-world implementation challenge.

START WHERE YOU ARE

Explore foundational learning, strengthen research skills, or focus on a particular role or setting. Each catalog title is linked directly to its JTEC listing.

THANK YOU

To the learners, subject-matter experts, and partner organizations who make this shared learning community possible: thank you for continuing to turn knowledge into practice.

1. <https://www.jcoinctc.org/jtec/>

WHAT'S IN VOLUME 2?

- 02 Welcome to JTEC
- 04 Free JCOIN technical assistance
- 05 JTEC at a glance
- 06 New & featured learning
- 07 Partners & learning pathways
- 09 LEAP
- 10 SUSTAIN
- 11 Professional peers
- 12 Fidelity monitoring
- 13 Full course catalog
- 24 On-demand webinars
- 25 All-content index by year
- 29 Quick lessons
- 30 Aced It podcast
- 32 Keep learning. Stay connected.

Page numbers match your PDF viewer.

PUT KNOWLEDGE INTO ACTION

FREE JCOIN TECHNICAL ASSISTANCE

Bring your challenges around implementation, research, or service delivery. JCOIN's four support centers offer complimentary technical assistance to improve access to substance use disorder treatment and strengthen research.¹

Training & implementation

Evidence-based practices, grant proposals, overdose prevention and reversal, and service delivery. Support includes training, tailored assistance, consultation, resources, and peer exchange.

[CTC TA offerings \(PDF\)](#)

Community-engaged research

Practical tools and guidance for integrating community perspectives and supporting people with lived experience within the research enterprise.

[Explore CERRC support](#)

Data, analytics & methods

Help with JCOIN data access, study design, and advanced quantitative and qualitative methods through expert consultation and customized assistance.

[Explore MAARC support](#)

Economic evaluation

Expert guidance for economic evaluations in criminal-legal settings, with an introductory conversation and a match to a relevant specialist.

[Explore CLEAR support](#)

NEW & FEATURED

NEW SKILLS. STRONGER PRACTICE.

Build a stronger project from the first research question to implementation in the field. These 2025–2026 additions connect research methods with practice.

By Danielle S. Rudes
Professor, Sam Houston State University
Deputy Director, Center for Advancing Correctional Excellence (ACEI)

Qualitative Methods

Grants and Grant Writing for Qualitative Researchers

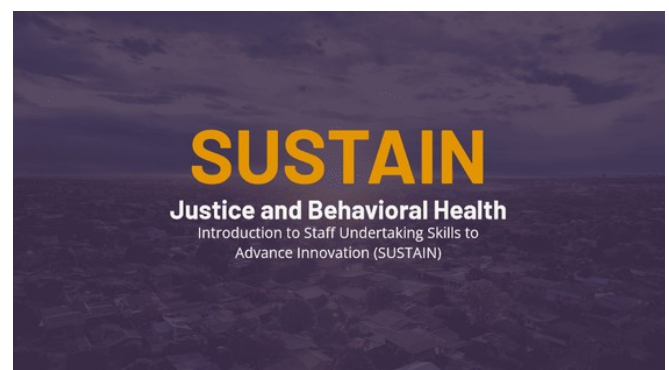

Applying Implementation Science

Foundations of Research Ethics

Using the Implementation Research Logic Model to Design Your Project

SUSTAIN Justice and Behavioral Health

LOCAL PARTNERS. SHARED KNOWLEDGE.

JTEC gratefully acknowledges **Addiction Policy Forum (APF)** for developing these courses with the partners below. Together, they make core learning available to the communities and professionals these organizations serve.

ALASKA DEPARTMENT OF HEALTH

Four courses cover fentanyl facts, stigma, medication efficacy, and reentry best practices.

[View courses](#)

MAKIN' IT HAPPEN

Three available courses focus on medication efficacy, stigma, and reentry best practices.

[View courses](#)

CITY OF ST. LOUIS DEPARTMENT OF HEALTH

Four newly published courses cover treatment foundations, the science of MOUD, stigma, and fentanyl facts.¹

CURATED LEARNING

START WITH YOUR NEXT CHALLENGE

Suggested starting points, not required sequences. Combine a course, a practical resource, and a team conversation to make the learning useful.

- 01** **I WORK IN JUSTICE SETTINGS**
1. Build SUD knowledge
 2. Explore medications in corrections
 3. Plan for reentry

- 02** **I PROVIDE HEALTH OR TREATMENT SERVICES**
1. Understand justice-system involvement
 2. Explore the cascade of care
 3. Work with individuals and families

- 03** **I DESIGN OR CONDUCT RESEARCH**
1. Start with research ethics
 2. Build qualitative skills
 3. Design an implementation project

- 04** **I WORK WITH PROFESSIONAL PEERS**
1. Explore peers in reentry
 2. Strengthen system collaboration
 3. Build drug court skills

LEARNING EXPERIENCES TO ADVANCE PRACTICE

LEAP

Build the foundations for research in criminal legal settings. The current LEAP Learner collection brings together implementation science, research design, and practical methods.

JUSTICE CULTURES

Conducting useful research in correctional settings.

MIXED METHODS

Connecting qualitative and quantitative approaches.

RAPID CYCLE TESTING

Testing changes through the NIATx approach.

WORKING WITH MISSING DATA

Understanding causes, types, and remedies.

IMPLEMENTATION SCIENCE

An introduction to moving evidence into practice.

EXPLORE THE FULL RESEARCH CATALOG ON PAGES 13–14

STAFF UNDERTAKING SKILLS TO ADVANCE INNOVATION

SUSTAIN

SUSTAIN supports foundational learning across justice and health settings. Explore criminal legal involvement, substance use disorders, and the connections between justice and behavioral health.

Public Health SUSTAIN

Foundational information about justice-system involvement for practitioners.

Public Health SUSTAIN Course Series

Open the series landing page to explore the collection.

SUSTAIN Substance Use Disorders

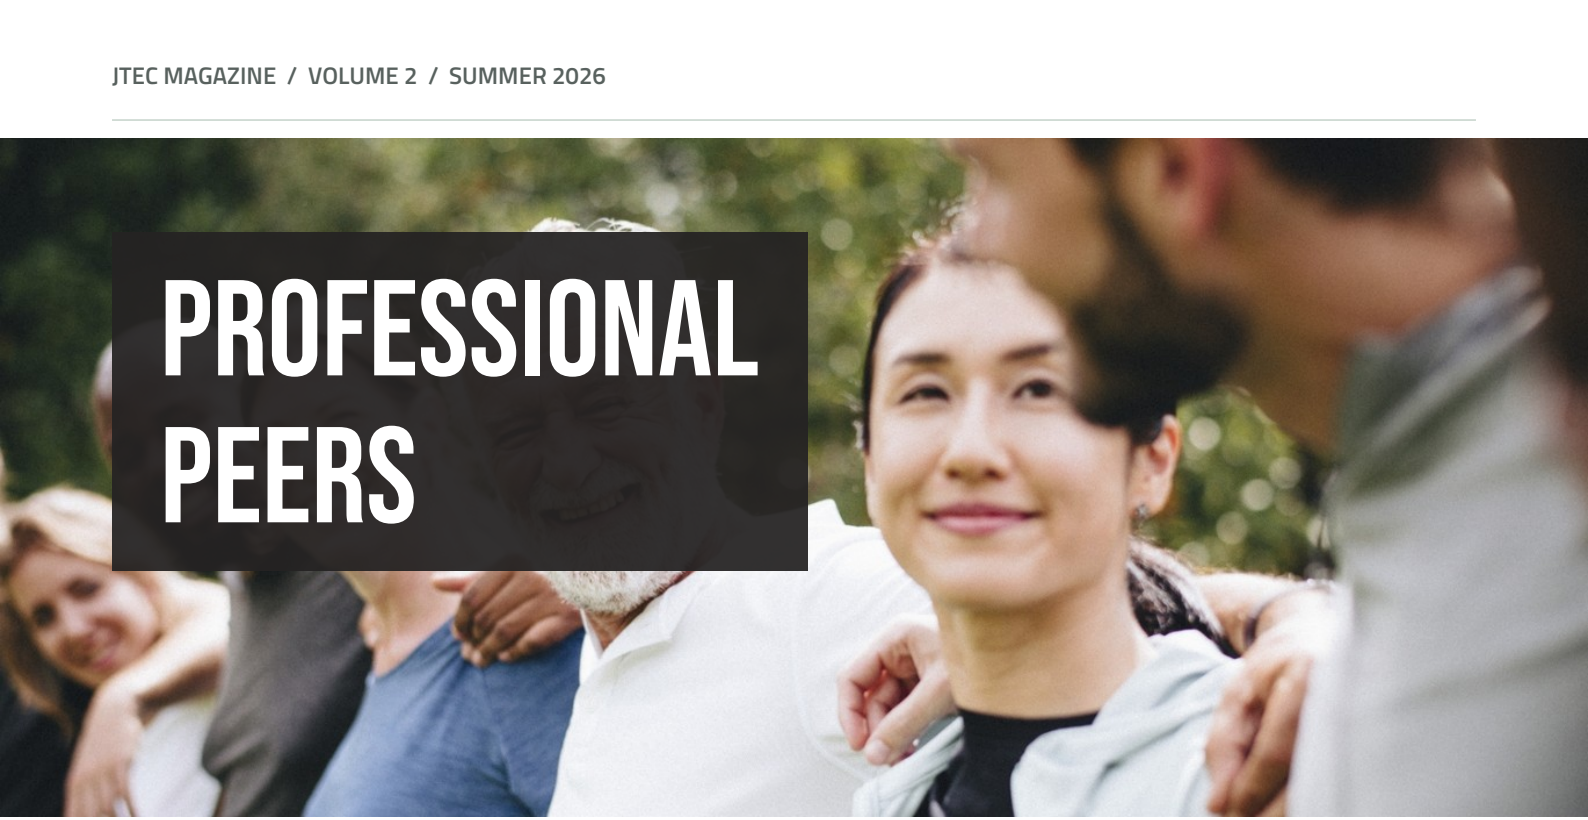

Functional knowledge for justice-system professionals.

SUSTAIN Justice and Behavioral Health

Knowledge and skill development to help people with criminal legal involvement build strengths.

[BROWSE SUSTAIN COURSES](#)

PROFESSIONAL PEERS

Learning for professional peers and for the system professionals who work alongside them. Choose a setting, then explore the course or series that fits your role.

Each series link opens the current module menu. Individual course listings appear on pages 17–18.

FIDELITY MONITORING

How do you know a program is being delivered as intended, and when is adaptation needed?

The Fidelity Monitoring course series helps researchers and practitioners develop skills in measurement and assessment, adapt programs when needed, and use feedback for continuous quality improvement.

MEASURE

Develop skills to examine program delivery.

ADAPT

Consider adjustments while attending to the intervention.

ASSESS

Use fidelity information to understand implementation.

IMPROVE

Use feedback loops to support ongoing quality improvement.

RESEARCH & IMPLEMENTATION

Research foundations

Select any title to open its listing. Times are estimates; series links open module menus.

01 Implementing the NIATx Model of Process Improvement

Use the NIATx model to guide process improvement in your agency.

Course | 1–2 hours | Certificate

02 LEAP Learner | Justice Cultures

Design ethical, rigorous research that is useful in correctional settings.

Course | 1–2 hours | Certificate

03 LEAP Learner | Mixed Methods

Connect quantitative and qualitative approaches in a mixed methods study.

Course | 1–2 hours | Certificate

04 Research Partnerships

Strengthen practitioner-researcher work on grants and program evaluation.

Course | 1–2 hours | Certificate

05 LEAP Learner | Rapid Cycle Testing

Use rapid-cycle testing to support practical systems change.

Course | 1–2 hours | Certificate

06 LEAP Learner | Working With Missing Data

Recognize causes, types, and possible remedies for missing research data.

Course | Under 1 hour | Certificate

COURSE CATALOG

RESEARCH & IMPLEMENTATION

From design to action

Select any title to open its listing. Times are estimates; series links open module menus.

01 LEAP Learner | Implementation Science

Explore the foundations of implementation science.

Course | 2+ hours | Certificate

02 Qualitative Methods

Explore qualitative study design, sampling, coding, and analysis.

Course | 90 minutes | Certificate

03 Grants and Grant Writing for Qualitative Researchers

Build a practical approach to grants for qualitative and community-based research.

Course | 90 minutes | Certificate

04 Applying Implementation Science

Move from evidence to action in real-world implementation settings.

Course | 90 minutes | Certificate

05 Foundations of Research Ethics

Explore responsible, respectful research practice and integrity.

Course | 90 minutes | Certificate

06 Using the Implementation Research Logic Model to Design Your Project

Use the Implementation Research Logic Model to design a stronger project.

Course | 1 hour | Certificate

JUSTICE, HEALTH, & SERVICE DELIVERY

Foundations and systems

Select any title to open its listing. Times are estimates; series links open module menus.

01 Public Health SUSTAIN: Foundational Information about Justice System Involvement for Practitioners

Build foundational knowledge about criminal legal system involvement.

Course | 2+ hours | Certificate

02 Public Health SUSTAIN Course Series

Explore the Public Health SUSTAIN course collection.

Series | 2+ hours | Certificate

03 First Responder Deflection: A Warm Handoff to Services in the Community

Explore deflection pathways that connect people to community services.

Course | 1–2 hours | Certificate

04 Cascade of Care | Coordinating Substance Use Disorder Treatment Services for Justice-Involved Individuals

Use the cascade of care to understand substance use treatment needs.

Course | 1–2 hours | Certificate

05 SUSTAIN Substance Use Disorders | Functional Knowledge for Justice System Professionals

Build working knowledge of substance use and co-occurring disorders.

Course | 1–2 hours | Certificate

COURSE CATALOG

JUSTICE, HEALTH, & SERVICE DELIVERY

Practice and family support

Select any title to open its listing. Times are estimates; series links open module menus.

01 Implementing Evidence-Informed Practices for Opioid Use Disorder

Review practices and policies that support overdose prevention and treatment.

Course | 1–2 hours | Certificate

02 Intervention Strategies for Families With Justice-Involved Loved Ones

Explore strategies for supporting families and justice-involved loved ones.

Course | 1–2 hours | Certificate

03 SUSTAIN Justice and Behavioral Health

Knowledge and skill development to help people with criminal legal involvement build strengths.

Course | 3 hours | Certificate

04 Working with Justice-Involved Individuals and their Families

Understand family impacts when working with justice-involved individuals.

Course | 1–2 hours | Certificate

MAKE IT A TEAM CONVERSATION

Choose one course and one practice question. After the course, compare what you learned and identify a next step for your team.

COURSE CATALOG

PROFESSIONAL PEERS

Learning for professional peers

Select any title to open its listing. Times are estimates; series links open module menus.

01 Professional Peers in Co-Responder Teams

Prepare for the professional peer role within co-responder teams.

Course | 1–2 hours | Certificate

02 Professional Peers in Community Corrections

Explore peer support in probation, parole, and pretrial settings.

Course | 1–2 hours | Certificate

03 Professional Peers in Incarceration Settings

Prepare for peer support work in incarceration settings.

Course | Under 1 hour | Certificate

04 Professional Peers in Reentry Organizations

Build knowledge for professional peer work in reentry organizations.

Course | 1–2 hours | Certificate

05 Professional Peers in Drug Courts Series

Prepare for successful peer work in drug treatment court settings.

Series | 2+ hours | Certificate

COURSE CATALOG

WORKING WITH PROFESSIONAL PEERS

Learning for system professionals

Select any title to open its listing. Times are estimates; series links open module menus.

01 Working with Professional Peers in Community Corrections: A Course for System Actors

Understand peer roles, competencies, ethics, and teamwork in community corrections.

Course | 1–2 hours | Certificate

02 System Actors in Co-Responder Teams

Learn how system professionals can work with peers in co-responder teams.

Course | Under 1 hour | Certificate

03 System Actors in Reentry Organizations

Strengthen collaboration with peers in reentry organizations.

Course | Under 1 hour | Certificate

04 System Actors in Incarceration Settings

Learn how system professionals can support peers in incarceration settings.

Course | 1–2 hours | Certificate

05 Professional Peers in Drug Courts for System Actors Series

Develop skills for integrating professional peers into drug treatment courts.

Series | 2+ hours | Certificate

COURSE CATALOG

MEDICATIONS & TREATMENT

Role-specific courses

Select any title to open its listing. Times are estimates; series links open module menus.

01 **CLA and JCOIN Course: Implementing Medications for Addiction Treatment (MAT) in Correctional Settings**

Review research and innovations in MAT access in correctional settings.

Course | 1–2 hours | Certificate

02 **MAT Course for Judicial Leaders: Understanding Overdose Risk and Medication Efficacy**

Learn about medication efficacy and overdose risk in justice settings.

Course | Under 1 hour | Certificate

03 **JLUSA and JCOIN Course: Understanding Overdose Risk and the Science of Medications to Treat Opioid Addiction**

Explore how medications for opioid use disorder work.

Course | Under 1 hour | Certificate

04 **MAT Course for Prosecutors: Understanding Overdose Risk and Medication Efficacy**

Build knowledge of substance use treatment for prosecutors and their staff.

Course | 1–2 hours | Certificate

05 **MAT Course for State and Local Leaders: Understanding Overdose Risk and Medication Efficacy**

Introduce state and local leaders to treatment and medications for OUD.

Course | Under 1 hour | Certificate

06 **MAT Course for County Executives: Understanding Overdose Risk and Medication Efficacy**

Introduce county executives to treatment and medications for OUD.

Course | Under 1 hour | Certificate

COURSE CATALOG

REENTRY BEST PRACTICES

Role-specific courses

Select any title to open its listing. Times are estimates; series links open module menus.

01 Reentry Best Practices for Individuals with Substance Use Disorders: A Course for Judicial Leaders

Explore reentry practices for people with substance use disorders.

Course | Under 1 hour | Certificate

02 Reentry Best Practices for Individuals with Substance Use Disorders: A Course for Prosecutors

Explore reentry practices relevant to prosecutors.

Course | Under 1 hour | Certificate

03 Reentry Best Practices for Individuals with Substance Use Disorders: A Course for State and Local Leaders

Support reentry through correctional, behavioral-health, and supervision agencies.

Course | Under 1 hour | Certificate

04 Reentry Best Practices for Individuals with Substance Use Disorders: A Course for Correction Leaders

Review reentry practices relevant to correctional leaders.

Course | Under 1 hour | Certificate

05 Reentry Best Practices for Individuals with Substance Use Disorders: A TASC Course on Reentry

Explore evidence-informed reentry practices with TASC, APF, and JCOIN.

Course | Under 1 hour | Certificate

QUICK LESSONS

SMALL LESSONS. PRACTICAL SKILLS.

Make room for a focused skill. Explore short lessons on literature searching, research communication, and data visualization.¹

01 Creating Your NIH Biosketch

Understand the purpose and structure of the NIH Biosketch. Check current NIH requirements before submitting.

02 Designing Research Posters

Explore practical choices for communicating research in a poster.

03 Tips for Better Charts and Graphs

Use clearer labels, less clutter, and stronger visual decisions.

04 Measuring Up: Bar Charts with a Benchmark Line

Build an effective benchmark comparison in Excel.

05 Data Visualization: Direct Labeling on Charts and Graphs

Replace a distant legend with labels that clarify your data.

06 Literature Searching Tips: PubMed and Accessing Full Text

Build a search, evaluate sources, and find full-text articles.

07 Literature Searching Tips: Grey Literature and Google Scholar

Explore grey literature and additional search tools.

08 Literature Searching Tips: Reading Scholarly Articles Effectively

Understand article types and the sections of a research paper.
