## JUSTICE COMMUNITY OPIOID INNOVATION NETWORK

### JCOIN RESEARCH CONFERENCE

June 11-13, 2024 | Bethesda North Marriott Hotel & Conference Center, Bethesda, MD

#### AGENDA

#### TUESDAY, June 11

8:00-9:00	Buffet Breakfast	Salons G-H
9:00-10:00	Welcome and Opening Remarks (NIDA Leadership)	Salons G-H
	Carlos Blanco	Director, NIDA Division of Epidemiology, Services and Prevention Research
	Tisha Wiley	Chief, NIDA Service Research Branch and Director, JCOIN
	Lori Ducharme	JCOIN Science Officer
10:15-11:30	Lived Experience Panel	Salons G-H
	<i>This panel discussion will focus on centering the voices of people with lived criminal legal experience in our research.</i>	
	Moderator: DeAnna Hoskins, JustLeadershipUSA	
	<b>Panelists:</b>	
	Margaret Bordeaux	Brown University Hub
	Dorel Clayton	Yale-TCN Hub
	John Palmer	Chestnut Health Systems Hub
	Machiste Rankin	Brown University Hub
	Martha Tillson	University of Kentucky Hub

# JCOIN

## JUSTICE COMMUNITY OPIOID INNOVATION NETWORK

11:30-1:00

Lunch Session – Roundtables

Salons G-H

*Get your lunch and then choose a table! Each Roundtable will have a topic and designated facilitator to lead the discussion.*

**Table 1**

*Medicaid policy and service linkage challenges for people with SUD and criminal-legal involvement*

Facilitator: Harold Pollack (University of Chicago Hub/MAARC)

**Table 2**

*EMA and experiences of interactions with law enforcement*

Facilitator: John Schneider (MAARC/University of Chicago Hub)

**Table 3**

*Low-barrier outreach strategies to engage individuals in MOUD*

Facilitator: Sarah Messmer, University at Illinois at Chicago (Chestnut Health Systems Hub)

**Table 4**

*Outreach and recruitment strategies for individuals in the criminal-legal system*

Facilitator: Belinda Willis (Chestnut Health Systems Hub)

**Table 5**

*Genuine partnerships with community boards and people with lived experience*

Facilitator: Ashli J. Sheidow (Chestnut Health Systems Hub)

**Table 6**

*How do we increase MOUD research participation for Black participants involved in the CJ system?*

Facilitator: Daniel Jarvis (Friends Research Institute Hub)

**Table 7**

*Using parole/probation as an overdose response agency*

Facilitator: Martha Danner (Friends Research Institute Hub)

# JCOIN

## JUSTICE COMMUNITY OPIOID INNOVATION NETWORK

1:15-2:45

### Concurrent Sessions

#### Session A

#### Linkage Facilitation across the Justice Community Opioid Innovation Network (JCOIN)

Salon F

Moderator: Lyn Stein (Brown University Hub)

Discussant: Nickolas Zaller (JCOIN Steering Committee Chair)

*Improving retention across the oud service cascade upon re-entry from jail  
using recovery management checkups*

Presenters: Christine Grella and John Palmer (Chestnut Health Systems  
Hub)

*Reducing opioid mortality in Illinois (ROMI)*

Presenter: Maggie Kaufmann (University of Chicago Hub)

*Kentucky women's peer navigation intervention*

Presenter: Martha Tillson (University of Kentucky Hub)

*Providing interventions for enhancing recovery in community supervision*

Presenters: Steven Belenko and Machiste Rankin (Brown University Hub)

*Engaging individuals in care post-release: implementing the transitions clinic  
network program model to improve moud continuity*

Presenter: Dorel Clayton (Yale-TCN Hub)

*ACTION Study linkage facilitation: Patient navigators and community health  
workers*

Presenters: Sandra Springer and Stazja Stuccio (Yale-ACTION Hub)

*Overview of linkage facilitator taxonomy and preliminary results*

Presenter: Anthony Coetzer-Liversage (Brown University Hub)

# JCOIN

## JUSTICE COMMUNITY OPIOID INNOVATION NETWORK

### Session B

### MOUD Pre- and Post-Release: System, Client, and Cost Perspectives

Salons G-H

Moderator: John Schneider (MAARC)

*Medications for opioid use disorder (MOUD) in Massachusetts' County Houses of Correction: Preliminary findings on post-release MOUD treatment, overdose, reincarceration and mortality*

Presenter: Peter Friedmann (Massachusetts Hub)

*Cost analysis of MOUD implementation and sustainability in Massachusetts jails*

Presenter: Sean Murphy (Health Economics Team – Weill Cornell Medicine)

*Factors contributing to the expansion of medication for opioid use disorder (MOUD) within the New Hampshire Department of Corrections (NH DOC)*

Presenter: Lisa Marsch and Pete Eamranond (New York University Hub)

*A naturalistic study of individuals involved in the justice system who experienced both formulations of extended-release buprenorphine*

Presenter: Thomas Blue (Friends Research Institute Hub)

*Factors associated with MOUD participant preference alignment among individuals recently released from incarceration*

Presenter: Lisa Puglisi (Yale-TCN Hub)

*Jail-based MOUD and post-release linkage to care reduces opioid-related overdose mortality in in-silico modeling and analysis*

Presenter: Jonathan Ozik (MAARC)

## JUSTICE COMMUNITY OPIOID INNOVATION NETWORK

---

<b>3:00-4:30</b>	<b>LEAP Program: Panel Discussion</b>	<i>Salons G-H</i>
------------------	---------------------------------------	-------------------

---

Facilitator: Danielle Rudes (CTC)

**Panelists:**

Kwasi Boaitey	University of Rochester
Daniel Bullman	University of Louisville
Vicki Coffey	Governors State University
Antoinetta DeAngelis	Massachusetts Trial Court
Tess Drazdowski	Chestnut Health Systems
Bianca Planas-Garcia	University of Puerto Rico – Medical Sciences Campus

---

---

<b>4:45-6:00</b>	<b>Poster Session</b>	<i>Brookside A-B</i>
------------------	-----------------------	----------------------

---

*See list of posters beginning on Page 12 and on the QR code page*

## JUSTICE COMMUNITY OPIOID INNOVATION NETWORK

---

**WEDNESDAY, June 12**

---

<b>8:00-9:00</b>	<b>Buffet Breakfast</b>	<i>Salons G-H</i>
------------------	-------------------------	-------------------

<b>9:00-10:15</b>	<b>Concurrent Sessions</b>
-------------------	----------------------------

<b><u>Session C</u></b>	<b><i>Highlighting JCOIN Early Stage Investigators</i></b>	<i>Salons G-H</i>
-------------------------	--	-------------------

Moderator: Shelley Su (NIDA)

*Competing risk analysis of treatment outcomes among patients referred for outpatient opioid use disorder treatment*

Presenter: Soham Sinha (MAARC)

*Collaborations between problem-solving courts and MOUD providers*

Presenter: Barbara "Basia" Andraka-Christou (J-RIG Grantee/University of Central Florida)

*The recovery capital model in a drug court setting: Results from pilot and feasibility studies*

Presenter: Emily Hennessey (J-RIG Grantee/Massachusetts General Hospital)

*Minneapolis addiction recovery initiative (MARI) safe station: A year-end process evaluation*

Presenter: Julie Krupa (CTC)

*State Medicaid initiatives targeting substance use disorder in criminal legal settings, 2021*

Presenter: Cashell Lewis (University of Chicago Hub)

# JCOIN

## JUSTICE COMMUNITY OPIOID INNOVATION NETWORK

---

---

<b><u>Session D</u></b>	<b><i>Implementation Strategies to Improve Practice</i></b>	<b><i>Salon F</i></b>
-------------------------	---	-----------------------

---

Moderator: Rosemarie Martin (Brown University Hub)

*An implementation science framework to contextualize an innovative intervention integrating medications for opioid use disorders in the probation system*

Presenter: Amelia Bailey (Brown University Hub)

*Lessons learned from the TCU Hub on using implementation strategy approaches to build community capacity for addressing service linkage gaps*

Presenter: Jennifer Becan (Texas Christian University Hub)

*Implementation strategies to support peer recovery coach and case management substance use treatment navigation for criminal legally-involved people who use drugs*

Presenter: Maggie Kaufmann (University of Chicago Hub)

*Centering the pivot: Honoring the science & population*

Presenter: Margaret Bordeaux (Brown University Hub)

*Using cascade of care to facilitate MOUD use in criminal justice settings*

Presenter: Todd Molfenter (CTC)

---

## JUSTICE COMMUNITY OPIOID INNOVATION NETWORK

---

10:30-11:45 Concurrent Sessions

---

---

**Session E**

***Research on Stigma Interventions and Impacts***

Salons G-H

---

Moderator: Ashli Sheidow (Chestnut Health Systems Hub)

*Understanding experienced, anticipated, and internalized stigma through the voluntary and involuntary disclosure of addiction, MOUD, and criminal legal system histories*

Presenter: Shannon Gwin Mitchell (Friends Research Institute Hub)

*Substance use-related stigma and social supports among incarcerated women with opioid use disorder*

Presenter: Martha Tillson (University of Kentucky Hub)

*In-detention SUD treatment and its impact on sense of self*

Presenter: Valerie Hardcastle (J-RIG Grantee/Northern Kentucky University)

*Medical mistrust and opioid knowledge predicts social stigma towards adults living with an opioid use disorder*

Presenter: Trey V. Dellucci (Indiana University Hub)

*Stigma reduction among criminal legal staff: Evidence from a multilevel stigma reduction intervention*

Presenter: Kelly E. Moore (J-RIG Grantee/East Tennessee State University)

---

# JCOIN

## JUSTICE COMMUNITY OPIOID INNOVATION NETWORK

### **Session F**

### ***New Perspectives on Old Problems***

*Salon F*

Moderator: Nickolas Zaller (JCOIN Steering Committee Chair)

*No help finding help: The search for MAT/MOUD treatment in critical access areas*

Presenters: Danielle Rudes (CTC) and Harold Pollack (University of Chicago Hub/MAARC)

*Developing and evaluating a behavioral health literacy curriculum in state prisons: A community-engaged approach with carceral staff and residents*

Presenters: Carrie Pettus and Danielle Rudes (CTC)

*Creating timeline followback (TLFB) and event review cycles: Teaching REDCap new tricks*

Presenter: Ralph Brooks (Yale-ACTION Hub)

*Development and validation of a shorter version of the PROMIS quality of life and patient preference rating (PROPr) with people coming out of county jails with opioid use disorders*

Presenter: Michael Dennis (Chestnut Health Systems Hub)

*Using cognitive interviews to explore discrepancies in criminal legal system-involved study participants' urine test results and perceived fentanyl exposure*

Presenter: Dennis Watson (Chestnut Health Systems Hub)

**12:00-1:30**

**Lunch Session: Implementing Recovery Support Services in Prisons**

*Salons G-H*

*Buffet lunch will be available.*

*Catherine Abrams and Desmond Perry from RECTIFY will discuss implementing recovery support services in prisons.*

# JCOIN

## JUSTICE COMMUNITY OPIOID INNOVATION NETWORK

**1:45-3:15**

**Partners Town Hall**

*Salons G-H*

*An interactive session with JCOIN's justice and community treatment partners discussing experiences being involved in the research, impacts of the trials, big takeaways, and lessons for future researchers.*

Moderator: Lori Ducharme (NIDA)

**Panelists:**

Pamela Carey	Texas Department of Criminal Justice	Texas Christian University Hub
Edmond Hayes	Franklin County Sheriff's Office	Massachusetts Hub
Dona Lee Howell	Consultant	Texas Christian University Hub
Linda Hurley	CODAC, Inc.	Brown University Hub
Marianne Kelly	Cook County Sheriff's Office	Chestnut Health Systems Hub

**3:30-4:45**

**Federal Agencies Panel Discussion: Research to Inform Policy**

*Salons G-H*

Moderator: Tisha Wiley (NIDA)

**Panelists:**

Margaret (Meg) Chapman	Policy Advisor, Bureau of Justice Assistance
Patti Juliana	Director, Division of Pharmacologic Therapies, Substance Abuse and Mental Health Services Administration (SAMHSA)
Tami Rodriguez	Chief Pharmacist, Federal Bureau of Prisons
June Sivilli	Senior Advisor, Office of National Drug Control Policy (ONDCP)

**4:45-5:00**

**Wrap-up Public Portion of Conference**

*Salons G-H*

OPIOID INNOVATION  
NETWORK

---

**THURSDAY, June 13 [Closed session – JCOIN Grantees/Teams Only]**

---

8:00-9:00	Buffet Breakfast	Salons F-H
9:00-11:00	Looking Back, Looking Ahead <i>What went right, what went sideways, what to do differently next time? Lessons for researchers, partners, and NIDA.</i>	Salons F-H
11:00-11:15	Boxed lunches will be provided.	
11:15-12:15	Getting to the Finish Line – <i>Timelines, Programmatic Issues, Other Details</i>	Salons F-H
12:15	Adjourn	Salons F-H
2:00-3:30	<i>Capitol Hill Briefing (confirmed), attendance by invitation</i>	

# JCOIN

## JUSTICE COMMUNITY OPIOID INNOVATION NETWORK

---

### Poster Presentations

1	<i>Team member perspectives on service delivery in veterans treatment courts</i>	James Byrne and Kim Kras (CTC)
2	<i>A preliminary descriptive analysis of 3 veterans treatment court cohorts</i>	Don Hummer and James Byrne (CTC)
3	<i>Perceived substance use treatment barriers among justice-involved women with opioid use disorder</i>	Erin Winston (University of Kentucky Hub)
4	<i>Justice-Community Opioid Innovation Network (JCOIN): Linkage facilitation</i>	Linkage Facilitation Group (Lyn Stein – Brown University Hub)
5	<i>Development and testing of a digital coach extender platform for MOUD uptake</i>	Jessi Vechinski (CTC)
6	<i>Sharing the opioid epidemic narrative: A content analysis of the most engaging opioid-relevant content on social media</i>	Alex Kresovich, Mateusz Borowiecki, Marie Ngobo-Ekamby, Haoyu Shi, Phoebe Lamuda, Bruce G. Taylor, John A. Schneider, Harold A. Pollack, Sherry L. Emery (MAARC)
7	<i>Descriptions of the cross-system collaboration between the youth legal system and community mental health: A qualitative study</i>	Lauren O'Reilly (Indiana University Hub)
8	<i>Attitudes towards and training in medications for opioid use disorders: A descriptive analysis among those in the youth legal system and community mental health centers</i>	Lauren O'Reilly (Indiana University Hub)

# JCOIN

## JUSTICE COMMUNITY OPIOID INNOVATION NETWORK

9	<i>Buprenorphine dose induction of opioid non-tolerant individuals in jail</i>	Michael S. Gordon (Friends Research Institute Hub)
10	<i>Mental health and treatment utilization among incarcerated urban and rural women with a history of opioid use disorder in Kentucky jails</i>	Michele Staton (University of Kentucky Hub)
11	<i>The opioid-treatment linkage model: Tools to enhance system improvement</i>	Chelsea Wood (Texas Christian University Hub)
12	<i>Enhancing client recovery during community supervision—medications for opioid use disorder (MOUD): A toolkit</i>	Claudia Stagoff-Belfort (Brown University Hub)
13	<i>A classification system for youth outpatient behavioral health services billed to Medicaid</i>	Gabriela M. Rodriguez (Indiana University Hub)
14	<i>Interactions with law enforcement are associated with increased substance use and worse mental health, among young black sexual and gender minorities (YBSGM): An ecological momentary assessment analysis</i>	John Schneider (MAARC)
15	<i>Patterns of past month cannabis consumption and cannabis use disorder: Insights from a nationally representative survey</i>	Bruce G. Taylor (MAARC)
16	<i>Availability of medications for opioid use disorder in U.S. jails: Findings from a national survey of jails, 2022–2023</i>	Elizabeth Flanagan (MAARC)
17	<i>Effects of a local change team to facilitate use of MOUD</i>	Anthony Coetzer-Liversage (Brown University Hub)

# JCOIN

## JUSTICE COMMUNITY OPIOID INNOVATION NETWORK

18	<i>User-centered design of data visualizations to improve cross-system collaboration and youth engagement in substance use treatment</i>	Katherine Schwartz (Indiana University Hub)
19	<i>Scoring the JCOIN core and local measures: Psychometrics and recommendations</i>	Kate Hart (Chestnut Health Systems Hub)
20	<i>Two new tools for opioid and stimulant use disorder diagnoses</i>	Angela Di Paola (Yale-ACTION/New York University Hubs)
21	<i>Long-acting buprenorphine vs. naltrexone opioid treatments in CJS-involved adults: The EXIT-CJS trial and results to date</i>	Joshua Lee (New York University Hub)
22	<i>Staff identification of barriers and facilitators to medications for opioid use disorder for people on community supervision in a rural county in North Carolina</i>	Margaret Bordeaux (Brown University Hub)
23	<i>Predicting medication for opioid use disorder (MOUD) treatment entry and length of stay</i>	Michael Dennis (Chestnut Health Systems Hub)
24	<i>Assessing linkage to care models: Patient navigation vs. mobile health units for HIV prevention and treatment, and substance use disorder services in justice-involved individuals</i>	Sandra Springer (Yale-ACTION Hub)
25	<i>Beyond incarceration: Exploring the economic costs of criminal legal activity</i>	Sean M. Murphy (Health Economics Team – Weill Cornell Medicine)
26	<i>Evaluating a continuity of care program for detainees with SUD</i>	Valerie Hardcastle (J-RIG Grantee/Northern Kentucky University)

# JCOIN

## JUSTICE COMMUNITY OPIOID INNOVATION NETWORK

---

27	<i>Can targeted federal funding on the intersection of opioid use disorder for criminal-legal involved populations build collaborative capacity?</i>	Abbey Cliffe (MAARC)
29	<i>JCOIN: More than the sum of its parts</i>	Lori Ducharme (NIDA)
30	<i>Qualitative findings from participants' experiences with adaptive recovery management checkups (RMC-adaptive) to improve OUD treatment linkage and retention</i>	Jodie M. Dewey (Chestnut Health Systems Hub)
31	<i>JTEC: learning and engagement for diverse audiences</i>	Amy Murphy (CTC)
32	<i>Correction of misinformation: Findings from a study of justice and behavioral health professionals</i>	Xiaoquan Zhao (CTC)
