

APPLY FOR THE

JEAP INITIATIVE TRAINING INSTITUTE

for individuals interested in developing a research
career in substance use recovery support services

Training Institute includes...

- **3-day Virtual Training Workshop, August 9-11, 2021**
- **2 years of distance mentoring**
- Access to pilot study funding
- Access to methods and statistics expertise
- Opportunity to collaborate with Community Boards
- Access to an expert consultant panel
- Future visit to the Oregon Social Learning Center
- Network of peers
- Access to monthly seminars

If you are interested in pursuing NIH-funded research on recovery support services for substance use and you have completed your Ph.D. or have advanced to candidacy, this Training Institute is for you! Individuals with lived experience with substance use or the justice system and individuals from underrepresented groups are especially encouraged to apply.

APPLICATION DEADLINE: APRIL 18
